Declaration:

I hereby apply to have the (~~strike out those not applicable~~) **Bore – River – Treated/Rural** water supply laid on the abovementioned premises by connecting a service. I hereby agree to have the installation of the related internal plumbing work performed by a plumber approved by Balonne Shire Council and undertake that pipes and fittings of approved standards will be used in the installation and also undertake to advise Council when the same has been completed and is ready for inspection by a Council Officer. Approval will not be granted to a cross connection from a *river water main* to any existing *bore water supply service main*. I have included with this application, payment of the connection fee of \$ _____
