<b>SECTION 3 - PLANNING &amp; DEVELOPMENT</b>					
<b>GENERAL INFORMATION</b>					
<b>Waiver of Development Application Charges</b> - The Chief Executive Officer or Director Community and Environmental Sustainability has delegated authority to determine to partially or wholly waive a Development Application Fee where strict application of the scheduled fee is obviously unreasonable for the type of application being received.					
<b>Refunds</b> - If an application is withdrawn before it is decided by the Assessment Manager, a refund will be given depending on the processing stage at the time of withdrawal as follows: Application, Information and Referral Stage 50%, Notification Stage 30%, Compliance Stage (prior to issue of action notice) 50%. No refund is applicable once a decision and/or Action Notice has been issued by the					
<b>Applications / Lapsed Requests</b> - If an application/request lapses during the IDAS process, no refund of fees is applicable, except for the not property made application that lapses (s266 of the Planning Act 2016), in which case a refund of 80% is applicable.					
<b>Request to Revive Lapsed Application</b> - a request to revive a lapsed application under s274, 280 and 303 of the Sustainable Planning Act shall be accompanied by a payment of \$200.00.					
<b>Fee for works constructed or commenced without Council Approval</b> - An additional fee of 25% of the relevant application fee, with a minimum fee of \$300.00 shall be imposed on all Planning, Building and Plumbing applications where works have been constructed or a use has commenced without first obtaining the required Council approvals.					
<b>Discount of Development Application Fees</b> - Bona Fide Charitable or Community OrganisationsThe Chief Executive Officer has delegated authority to calculate a fee for development applications by bona fide charitable organisations where such development fulfils a significant community role. This does not apply to private clubs (with the exception of Senior Citizens Clubs) or to applications for commercial uses, lot reconfigurations or similar developments where such developments do not fulfil a significant community role which are not considered to be "not for profit" developments. A fee of 25% of the normal prescribed fee (assessment only) is payable in respect of an application by charitable or non-profit organisations including sporting and recreational organisations) which provide a service to the community and do not normally have an income stream and/or are able to demonstrate their status as non-profit to the satisfaction of the Chief Executive Officer or Director Community and					
<b>Applications Involving More than One Type of Development</b> - Fee for the application shall be the sum of those fees that would have been paid in the event of a separate application being lodged for each type					
<b>Preliminary Approval</b> - Except where specifically indicated otherwise, fees shall be the same as for the application for a Development Permit. Where a Development Permit is subsequently sought for the same proposal a fee of 50% of the current fee is applicable.					
<b>Developments</b> - Where an application is made to Council for a development and a specialist study is required to be submitted and Council elects to have that study independently assessed by a second consultant, the applicant shall pay an additional fee. Such fee shall be the actual cost charged to Council for the review of the study by a specialist consultant. Any additional fee shall be paid prior to the					
<b>Consultant's Fees</b> - The cost of the consultant's fees in respect to any further expert advice required by Council in consideration of any application/submission will be charged to the applicant. This is likely to be the case where referral co-ordination applies. Where a development application is referred to an external consultant for processing, any additional cost of such external processing, is to be met					

<b>Other Fees and Charges not listed below</b> - Fees and Charges for other uses not mentioned below will be determined by the Chief Executive Officer or the Director Community and Environmental				
<b>Infrastructure Agreements</b> - Where an application is made to Council, and an Infrastructure Agreement is required, the applicant shall pay all costs associated with the preparation and on-going management of the Infrastructure Agreement.				
<b>Election Signs</b> - A refundable bond per candidate is to be paid prior to the erection of election signs. The bond shall only be repaid upon notification by the applicant that all election signs have been removed within 14 days of the date of the election and following confirmation by Council's inspectors.				
<b>BUILDING SERVICES INFORMATION</b>				
<b>Class 1a</b> - Single or Detached Dwelling				
<b>Class 1b</b> - Boarding House, Guest House, Hostel or the like.				
<b>Class 2</b> - Building containing 2 or more sole-occupancy units each being a separate dwelling.				
<b>Class 3</b> - Residential Building, other than Class 1 or 2 building, which is a common place of long-term or transient living for a number of unrelated persons.				
<b>Class 4</b> - Dwelling in a building that is Class 5 to 9 if it is the only dwelling in the building.				
<b>Class 5</b> - Office Building, used for professional or commercial purposes, excluding Class 6, 7, or 9 buildings.				
<b>Class 6</b> - Shop or other building for the sale of goods by retail or the supply of services direct to the public.				
<b>Class 7a</b> - Car park				
<b>Class 7b</b> - Building for storage or display of goods or produce for sale by wholesale				
<b>Class 8</b> - Laboratory, or a building in which a handicraft or process for the production, assembling, altering, repairing, packing, finishing or cleaning of goods or produce is carried on for trade, sale or gain.				
<b>Class 9a</b> - Health- Care building, including those parts of the building set aside as a laboratory				
<b>Class 9b</b> - Assembly building, including a trade workshop, laboratory or the like in a primary or secondary school, but excluding any other parts of the building that are of another class.				
<b>Class 9c</b> - Aged Care building				
<b>Class 10a</b> - non-habitable building such as private garage, carport, shed or the like.				
<b>Class 10b</b> - Structure being a fence, mast, antenna, retaining or free-standing wall, swimming pool or the like.				
<b>Note 1:</b> The planning and development fees with respect to a particular function do not necessarily include all fees that may apply to that application. Due to the nature of the application, other appropriate application fees may be required (e.g. siting variations, material change of use, plumbing application). These fees can be found in the appropriate section of this schedule, or can be quoted when the application is being submitted.
