#### MANAGEMENT SYSTEMS RESPONSIBILITIES

#### **Organisational Continuous Improvement & Quality Management**

- Willingness and ability to adapt to challenge and opportunities, for example:
  - changing workforce capabilities through multiskilling, succession planning, knowledge management
  - changing technologies and operational procedures by expanding your knowledge of future trends and required competencies
- Willingness and ability to set the example and live by Council's values
- Willingness and ability to advocate a positive and constructive organisational culture
- Willingness to accept responsibility for your own actions and decisions, and to be held accountable for such
- Willingness and ability to integrate the competing demands of work, home, community and self
- Willingness to actively participate in all training provided
- Willingness to occasionally camp out in other towns as work dictates

#### Work Health & Safety (WHS) and Risk Management

- Be responsible and accountable for adhering to the WHS Obligation & Responsibility Statements applicable to the position. A copy of the current Obligations and Responsibility Statement will be provided as part of induction. All safety documentation is available in Council's safety management system
- Be responsible for applying WHS to daily tasks performed in the workplace including completion of risk assessments
- Undertake a vaccination risk assessment and ensure required vaccinations are completed
- Ensure compliance with COVID Safe Plans as applicable
- Maintain knowledge of safe work procedures in relations to maintenance and construction work
- Report all matters beyond your authority promptly
- Take all practical measures to ensure that your workplace is safe and without risk to health or property

#### MANAGEMENT RESPONSIBILITIES

#### **Communication & Interpersonal**

- Effectively communicate with different levels of the organisation and external stakeholders
- Apply both formal and informal communication strategies to suit the needs of the stakeholder
- Service delivery or interaction with the customer is focused on resolving immediate problems and mitigating the risk of potential problems
- Encourage continuous review of service culture and the implementation of policies and practices valued by customers
- Project and promote the image of Council as being efficient, courteous and customer focused by open, honest and timely communication with stakeholders
- Comply with Council's Code of Conduct
- Model high levels of professionalism
- Build positive relationships through the various level of Council, both politically and operationally

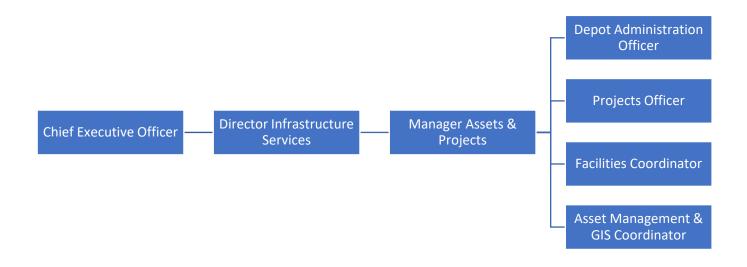

#### ADMINISTRATION RESPONSIBILITIES

- Assist with the continuing development of cultural change and continuous improvement within the workforce to ensure departmental services are provided in a competitive, cost effective manner
- Provide appropriate information as requested to assist with the preparation of annual estimates of expenditure in the section, and to report to the Director Infrastructure Services circumstances which may cause significant variances in actual expenditure from approved estimates as soon as identified
- Ensure that requests are investigated, acted on and reported upon in accordance with Council Policy
- Ensure that Council Policies and manuals are fully understood and adhered to
- Ensure that approved purchasing procedures are adhered to

- Keep the Manager Assets & Projects appropriately and adequately informed on the current state of activities in the section and to highlight in advance any points likely to influence Council operations or relations with ratepayers and/or the public
- Maintain a personal time management system to ensure deadlines are met; to ensure that other staff of the Council are given due notice and time to comply with deadlines so that their own personal planning is not inconvenienced
- Completion of digital time sheets on a daily basis
